# SUGGESTED USE:

This Freebie includes 2 different spellings of 'Smelled' and 'Smelt' to meet the grammatical needs of both our Northern and Southern Hemisphere teachers,

SO PLEASE CHECK  
BEFORE PRINTING.

1

PLEASE NOTE: The 'I tasted' section is at the bottom of the sheet to allow you to fold it under before photocopying (tasting is probably only appropriate if you're taking your nature walk in the vegetable gardens!)

2

If you're completing this outdoors, you might want to consider taking clipboards to make recording ideas easier.

3

Younger children could complete this sheet by drawing what they experienced, or just including key words.

4

As always with learning in the outdoors, make sure you've established clear boundaries and identified hazards before beginning

5

Model a love and respect for nature and be clear with your class about what they can/can't touch or take.
